Online Resources

Visit www.edwardjones.com/taxcenter for brochures, tax reporting information and answers to common questions.

Online Access Features

- View, print and download your tax forms any time after they are generated.
- Securely share your tax forms electronically with your tax professional from the Tax Forms screen. Just select the forms to share and click "Send to Tax Preparer" to get started.
- Import your Consolidated 1099 and Form 1099-R tax data into Turbo Tax® and other tax preparation software.

Visit www.edwardjones.com/access to learn more about these services. Restrictions may apply.

Ask Your Branch to Securely Share Your Tax Forms

At your request, your Edward Jones branch team can securely share your tax forms electronically with your tax professional.

Turbo Tax® or other Tax Preparation Software

You can import your Edward Jones tax information from within Turbo Tax® using the software's import feature. Instructions for manually entering certain items of supplemental information are available at www.edwardjones.com/taxcenter. Download options for other tax preparation software also are available via Online

Access. Edward Jones Tax Hotline associates do not provide support for tax preparation software. Please contact the software provider for assistance.

Official Tax Document - What Is My Income?

The 1099 forms included in this document are the official records of income reported to the IRS and should be used to prepare your income tax return. Information provided in the supplemental sections is not sent to the IRS. This document may not match your December statement due to reclassifications of income occurring after year end.

Additional Tax Information

An Additional Tax Information section may be included in this document. It provides information about potential adjustments to income on your state tax return and the amount of foreign source income received.

Separate Consolidated Statements for Each Account

This document includes information only for the Edward Jones Account Number listed above.

Supplemental Information Changes for 2018

- Fees no longer are included as supplemental information. The total fees paid for an account for the year are available on your December statement.
- This document may include a summary of securities determined to be valueless and removed from your account in 2018. Consult with a tax professional or contact the IRS about the treatment of this information.

Notice of IRS Form Changes for 2018

The IRS has added Box 5 to Form 1099-DIV to report dividends eligible for the 20% qualified business income deduction under Internal Revenue Code Section 199A. Be sure to read all box titles carefully. Refer to Instructions to Recipients at the end of this document for more information.

Notice of De Minimis Safe Harbor for Revised Forms

If Edward Jones makes a correction to a tax form we previously furnished to you, we are not required to furnish a revised tax form to you if the correction relates to an incorrect dollar amount and differs from the correct amount by:

- No more than \$100; or
- No more than \$25 in the case of an error with respect to the amount of tax withheld.

You may elect, however, to receive all corrected forms regardless of the incorrect dollar amount by contacting the Tax Hotline at 800-282-0829.

Notice of Tax Information for California Residents

Edward Jones is required to report to California residents income earned on non-California state bonds and proceeds from broker exchange transactions reported on Form 1099-B. If you are a resident of California and received either of these types of income during 2018, we report this information to you, the IRS and the California Franchise Tax Board.

Questions?

- Preparing your tax return: Contact your tax professional, call the IRS at 800-829-1040 or visit the IRS website (www.irs.gov). Edward Jones does not provide tax advice.
- Using Turbo Tax® software: Contact Turbo Tax® customer support. Edward Jones does not provide support for tax preparation software.
- Understanding this tax document: Call the Edward Jones Tax Hotline at 800-282-0829. Associates are available from mid-January through April 15, Monday - Friday, 7 a.m. to 7 p.m. Central time, and Saturday, 8 a.m. to 2 p.m. Central time; and from April 16 until mid-October, Monday - Friday, 8 a.m. to 6 p.m. Central time.

Explanation of Revisions to Your 1099 Income or Supplemental Data

Revisions have been made to your 1099 income or supplemental data for the following reason(s):

- (017) The dividend paid to your account in 2019 is reportable in 2018.
- (005) The capital gain paid to your account in 2019 is reportable in 2018.
- (019) The tax-exempt dividend paid to your account in 2019 is reportable in 2018.

The information reported on your Consolidated 1099 Tax Statement is reported to you and the IRS. Please retain for your records. Edward Jones, its employees and financial advisors cannot provide tax or legal advice. You should consult your attorney or qualified tax advisor regarding your situation.

Important Information Regarding Your Form 1099-B

* - Denotes additional reportable information related to transaction listed immediately above.

We will report cost basis for "covered" shares to the IRS. We will not report cost basis for "noncovered" shares to the IRS. Unadjusted Gain/Loss equals Proceeds (Box 1d) minus Cost or Other Basis (Box 1e) and has not been adjusted for Accrued Market Discount (Box 1f), Wash Sale Disallowed (Box 1g), gain/loss considered Ordinary (Box 2), or gain/loss attributed to Proceeds from Collectibles (Box 12). The cost basis for sales of stock received from compensatory options granted after 2013 is the exercise price only and has not been adjusted for any ordinary income recognized upon grant or exercise. The IRS may require you to report the Proceeds, Cost or Other Basis, and any adjustments from your Form 1099-B on Form 1040, Schedule D (Capital Gains and Losses) and/or Form 8949 (Sales and Other Dispositions of Capital Assets). Refer to the Instructions for Form 1040, Schedule D, and Form 8949 to determine how to report this information on your tax return.

LT indicates a long term gain/(loss), ST indicates a short term gain/(loss), and Unknown indicates that we did not have enough information to determine the cost basis and/or holding period. "Ordinary" indicates that some or all of the Unadjusted Gain/Loss may be treated as ordinary income or loss. "Collectibles" indicates that proceeds are from a transaction involving collectibles or from a sale of a security that holds collectibles (e.g. a Grantor Trust UIT).

2018 CONSOLIDATED 1099 STATEMENT

Recipient's Name:

Edward Jones Account Number:
319-15392-1-6

Payer's Identification Number:
43-1591643

Important Information Regarding Your Form 1099-B (continued)

The Average Cost method is used as our default method to calculate cost basis for domestic open-end mutual funds. The FIFO (first-in, first-out) method is used for all other securities unless otherwise indicated at the time of sale. If you have used any other cost basis calculation method or lot relief methods for noncovered security transactions, do not rely on these figures. Also, we are required to calculate and report amortization and accretion adjustments for covered taxable and tax-exempt bonds using "default" methods specified by IRS regulations. We do not make cost basis adjustments for discounts or premiums on non-covered taxable bonds. We do make adjustments on non-covered tax-exempt bonds purchased at a premium as specified by IRS regulations. The cost basis information for non-covered securities transactions is believed to be reliable, but its accuracy and completeness are not guaranteed. Therefore, this information should not be relied upon for tax preparation without independent verification by your qualified tax advisor. Edward Jones, its employees and financial advisors cannot provide tax or legal advice.

This is not a Form 1099. The supplemental information below may contain foreign source income or state exclusions. You may be able to claim as a deduction on your tax return a portion of your foreign tax paid. If you have state exclusions that report the amount of income derived from federal, municipal and U.S. territory obligations, a portion of this amount may be excludable from state taxable income based upon the state's law. The information includes the state of issuance of the municipal bond or the state from which income is derived. This state is presumed to be your state of residency. Consult your tax professional as to how this information may impact your tax return.

Foreign Source Income

Security Name	CUSIP	Source	Qualified Dividends	Total Dividends	Foreign Tax Paid	Foreign Source Percent	Income From Foreign Source Obligations

This additional tax information has been supplied to Edward Jones by outside sources. While we cannot assure the accuracy of this information, we believe it to be correct. This information is intended as a general guide and does not constitute tax advice. You should consult your tax professional or state tax authority to determine how this information may apply to your specific situation.

Thank you for doing business with Edward Jones. This is the end of your 2018 tax reporting information. If you have any questions concerning any matter, especially errors or omissions, contact your branch team at 248-413-5020 immediately or the Edward Jones Tax Hotline at 1-800-282-0829.

Instructions to Recipients

Recipient's taxpayer identification number. For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN). However, the issuer has reported your complete identification number to the IRS.

FATCA filing requirement. If the FATCA filing requirement box is checked, the payer is reporting on this Form 1099 to satisfy its chapter 4 account reporting requirement. You also may have a filing requirement. See the Instructions for Form 8938.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

Please visit www.irs.gov for the most complete and current forms, instructions and other information.

Form 1099-DIV

Box 1a. Shows total ordinary dividends that are taxable. Include this amount on the "Ordinary dividends" line of Form 1040. Also, report it on Schedule B (1040), if required.

Box 1b. Shows the portion of the amount in box 1a that may be eligible for reduced capital gains rates. See the Form 1040 instructions for how to determine this amount and where to report.

The amount shown may be dividends a corporation paid directly to you as a participant (or beneficiary of a participant) in an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040 but treat it as a plan distribution, not as investment income, for any other purpose.

Box 2a. Shows total capital gain distributions from a regulated investment company (RIC) or real estate investment trust (REIT). See How To Report in the Instructions for Schedule D (Form 1040). But, if no amount is shown in boxes 2c-2d and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in box 2a on your Form 1040 rather than Schedule D. See the Form 1040 instructions.

Box 2b. Shows the portion of the amount in box 2a that is unrecaptured section 1250 gain from certain depreciable real property. See the Unrecaptured Section 1250 Gain Worksheet—Line 19 in the Instructions for Schedule D (Form 1040).

Box 2c. Shows the portion of the amount in box 2a that is section 1202 gain from certain small business stock that may be subject to an exclusion. See the Schedule D (Form 1040) instructions.

Box 2d. Shows 28% rate gain from sales or exchanges of collectibles. If required, use this amount when completing the 28% Rate Gain Worksheet—Line 18 in the Instructions for Schedule D (Form 1040).

Box 3. Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550.

Box 4. Shows backup withholding. A payer must backup withhold on certain payments if you did not give your TIN to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. Shows dividends eligible for the 20% qualified business income deduction under section 199A. See the Instructions for Form 1040.

Box 6. Shows your share of expenses of a nonpublicly offered RIC, generally a nonpublicly offered mutual fund. This amount is included in box 1a.

Box 7. Shows the foreign tax that you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 8. This box should be left blank if a RIC reported the foreign tax shown in box 7.

Boxes 9 and 10. Shows cash and noncash liquidation distributions.

Box 11. Shows exempt-interest dividends from a mutual fund or other RIC paid to you during the calendar year. See the Instructions for Form 1040 for where to report. This amount may be subject to backup withholding. See Box 4 above.

Box 12. Shows exempt-interest dividends subject to the alternative minimum tax. This amount is included in box 11. See the Instructions for Form 6251.

Boxes 13–15. State income tax withheld reporting boxes.

Nominees. If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV (with a Form 1096) with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A spouse is not required to file a nominee return to show amounts owned by the other spouse. See the 2018 General Instructions for Certain Information Returns.

Future developments. For the latest information about developments related to Form 1099-DIV and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form1099DIV.

Form 1099-B

Brokers and barter exchanges must report proceeds from (and in some cases, basis for) transactions to you and the IRS on Form 1099-B. Reporting is also required when your broker knows or has reason to know that a corporation in which you own stock has had a reportable change in control or capital structure. You may be required to recognize gain from the receipt of cash, stock, or other property that was exchanged for the corporation's stock. If your broker reported this type of transaction to you, the corporation is identified in box 1a.

CUSIP number. Shows the CUSIP (Committee on Uniform Security Identification Procedures) number or other applicable identifying number.

Applicable check box on Form 8949. Indicates where to report this transaction on Form 8949 and Schedule D, and which check box is applicable. See the instructions for your Schedule D and/or Form 8949.

Box 1a. Shows a brief description of the item or service for which amounts are being reported. For regulated futures contracts and forward contracts, "RFC" or other appropriate description may be shown. For Section 1256 option contracts, "Section 1256 option" or other appropriate description may be shown. For a corporation that had a reportable change in control or capital structure, this box may show the class of stock as C (common), P (preferred), or O (other).

Box 1b. This box may be blank if box 5 is checked or if the securities sold were acquired on a variety of dates. For short sales, the date shown is the date you acquired the security delivered to close the short sale.

Box 1c. Shows the trade date of the sale or exchange. For short sales, the date shown is the date the security was delivered to close the short sale. For aggregate reporting in boxes 8 through 11, no entry will be present.

Box 1d. Shows the cash proceeds, reduced by any commissions or transfer taxes related to the sale, for transactions involving stocks, debt, commodities, forward contracts, non-Section 1256 option contracts, or securities futures contracts. May show the proceeds from the disposition of your interest(s) in a widely held fixed investment trust. May also show the aggregate amount of cash and the fair market value of any stock or other property received in a reportable change in control or capital structure arising from the corporate transfer of property to a foreign corporation. Losses on forward contracts or non-Section 1256 option contracts are shown in parentheses. This box does not include proceeds from regulated futures contracts or Section 1256 option contracts. Report this amount on Form 8949 or on Schedule D (whichever is applicable) as explained in the Instructions for Schedule D.

Box 1e. Shows the cost or other basis of securities sold. If the securities were acquired through the exercise of a noncompensatory option granted or acquired on or after January 1, 2014, the basis has been adjusted to reflect your option premium. If the securities were acquired through the exercise of a noncompensatory option granted or acquired before January 1, 2014, your broker is permitted, but not required, to adjust the

basis to reflect your option premium. If the securities were acquired through the exercise of a compensatory option, the basis has not been adjusted to include any amount related to the option that was reported to you on a Form W-2. If box 5 is checked, box 1e may be blank. See the Instructions for Form 8949, Instructions for Schedule D, or Pub. 550 for details.

Box 1f. Shows the amount of accrued market discount. For details on market discount, see Schedule D (Form 1040) instructions, Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1f may be blank.

Box 1g. Shows the amount of nondeductible loss in a wash sale transaction. For details on wash sales, see Schedule D (Form 1040) instructions, Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1g may be blank.

Box 2. The short-term and long-term boxes pertain to short-term gain or loss and long-term gain or loss. If the Ordinary box is checked, your security may be subject to special rules. For example, gain on a contingent payment debt instrument subject to the noncontingent bond method generally is treated as ordinary interest income rather than as capital gain. Please see the Instructions for Form 8949, Pub. 550, or Pub. 1212 for more details on whether there are any special rules or adjustments that might apply to your security. If box 5 is checked, box 2 may be blank.

Box 3. If checked, the basis in box 1e has been reported to the IRS and either the short-term or the long-term gain or loss box in box 2 will be checked. If box 3 is checked on Form(s) 1099-B and

NO adjustment is required, see the instructions for your Schedule D as you may be able to report your transaction directly on Schedule D. If the Ordinary box in box 2 is checked, an adjustment may be required.

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your taxpayer identification number to the payer. See Form W-9 for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. If checked, the securities sold were noncovered securities and boxes 1b, 1e, 1f, 1g, and 2 may be blank. Generally, a noncovered security means: stock purchased before 2011, stock in most mutual funds purchased before 2012, stock purchased in or transferred to a dividend reinvestment plan before 2012, debt acquired before 2014, options granted or acquired before 2014, and securities futures contracts entered into before 2014.

Box 6. If the exercise of a noncompensatory option resulted in a sale of a security, indicates whether the amount in box 1d was adjusted for option premium.

Box 7. If checked, you cannot take a loss on your tax return based on gross proceeds from a reportable change in control or capital structure reported in box 1d. See the Form 8949 and Schedule D instructions. The broker should advise you of any losses on a separate statement.

Regulated Futures Contracts, Foreign Currency Contracts, and Section 1256 Option Contracts (Boxes 8 Through 11)

Box 8. Shows the profit or (loss) realized on regulated futures, foreign currency, or Section 1256 option contracts closed during 2018.

Box 9. Shows any year-end adjustment to the profit or (loss) shown in box 8 due to open contracts on December 31, 2017.

Box 10. Shows the unrealized profit or (loss) on open contracts held in your account on December 31, 2018. These are considered closed out as of that date. This will become an adjustment reported as unrealized profit or (loss) on open contracts — 12/31/2018 in 2019.

Box 11. Boxes 8, 9, and 10 are all used to figure the aggregate profit or (loss) on regulated futures, foreign currency, or Section 1256 option contracts for the year. Include this amount on your 2018 Form 6781.

Box 12. If checked, proceeds are from a transaction involving collectibles.

Box 13. Shows the cash you received, the fair market value of any property or services you received, and the fair market value of any trade credits or scrip credited to your account by a barter exchange. See Pub. 525.

Boxes 14—16. Shows state(s)/local income tax information.
